

Dear School Administrators,

This year Local 55 has as one of its goals to continue the process of reaching out to school based administrators as an integral part of our local. The association collects dues and has a responsibility to all to provide programs, PD opportunities and representation to all of our members.

As part of our ongoing strategic planning it was decided last year, we would offer 4 informal opportunities for school admin. teams to get together with Local 55 staff and executive to bring their concerns and issues forward to the ATA.

The following dates and locations have been set aside for you to meet with colleagues and enjoy a couple of snacks and informal conversation about your positions and what our local can do to best represent the needs of all.

Friday February 22nd 4:30-7:30@ Romano's Rustic Italian Deli 2626 23rd st. NE

Friday April 5th 4:30-7:30 @ Romano's Rustic Italian Deli 2626 23rd st. NE

Please RSVP to Wendy (wneufeld@ataloc55.ab.ca) indicating which date and how many will be in attendance from your team.
