

ALBERTA TEACHERS' ASSOCIATION LOCAL #55
PROFESSIONAL DEVELOPMENT COMMITTEE
Invite you to attend a workshop on...

Indigenous Ways of Knowing

This workshop is designed to be an introduction to some basic First Nation, Metis and Inuit worldviews, cultural beliefs and values. It is neither a comprehensive nor an exhaustive exploration of indigenous ways of knowing, but rather a series of focused conversation starters for groups of educators engaged in reconciliation. Worldviews and ways of knowing are like stones thrown into the water from which other circles grow. Participants will gain an understanding and appreciation of First Nations, Metis and Inuit people by learning about diverse, traditional and contemporary experiences unique to them

Audience K-12 Teachers.
